Re: Microsoft Education Ambassadors Program 2016

Microsoft is committed to education and believes that teachers are key in transforming the lives of our students and the future of our nation. Believing that the best educators never stop educating themselves, Microsoft provides a wide array of professional development opportunities for them.

Through the **Microsoft Education Ambassadors** program, we are able to empower thousands of teachers across Luzon, Visayas and Mindanao on the latest ICT tools in teaching. This program aims to create a sustainable community of passionate educators who are advocates of teaching with technology.

This September, we are happy to announce that we are opening the applications for the Microsoft Education Ambassadors Program for 2016 – Negros Island Region. For a short overview online, you can check this link - <http://bit.ly/MEAP2016>
