Assistant Regional Director  
Department of Education  
Negros Island Region

Dear Mr. Jimenez,

Greetings of Peace and Love!

First and foremost, please allow us to extend our grateful appreciation for your continuing support to St. Paul University Dumaguete on its annual leadership development program which is the Secondary Interschool Leadership Training (SILT) over the past years. This year, the university engages the youth especially our Junior High School student leaders in leadership and in character building necessary for youth development that are entrenched upon what an empowered leader is.

Indeed, the overwhelming positive response we received from the delegates and their respective schools has challenged us to do better each year to raise the bar of leadership excellence through innovative approach to learning experiences that will enhance the leadership qualities of the participants.

In this connection, St. Paul University Dumaguete thru the Student Affairs Office gladly invites you to its 1<sup>st</sup> **Junior High Student Leaders' Congress** anchored on the theme "*Shepherding begets Leading: the heart of genuine and empowering leadership*" which will be held on **January 28-29, 2016**, at St. Paul University Dumaguete campus.

Moreover, may we ask permission from your good office to permit the schools that under your administrative jurisdiction be permitted to join the said leadership training. Attached are the necessary documents for your convenience.

May we also ask for a letter of endorsement as a form of response to this letter relative to this communication? You may contact us through:

## 1<sup>st</sup> Junior High Student Leaders' Congress

*"Shepherding begets Leading: The heart of genuine and empowering leadership"*

*January 28-29, 2016*

For the past six years, St. Paul University Dumaguete has been exerting their outmost effort to gather student leaders from the different secondary school of Negros Oriental, City of San Carlos and Siquijor. The **Secondary Inter-School Leadership Training** became an avenue for St. Paul University Dumaguete to reach out student leaders who could become competitive and God fearing shepherds in our country. Due to the integration of the K-12 program, the **Secondary Inter-school Leadership Training** will now be called **Junior High Student Leaders' Congress**.

This Leadership Congress aim to inspire and influence young student leaders to be prepared to work in partnership with adults, they need to develop and/or enhance their leadership skills. This training prepares the youth to manage time, work as a team, set goals, start conversations, facilitate meetings, and make effective presentations. This training will promote youth leadership development and it is a great way to promote positive life skills learning; strengthen social, emotional, behavioral, cognitive and moral competencies; build self-worth and value; increase healthy bonding with adults, peers and younger children; expand opportunities and recognition for youth who engage in positive behavior and activities; provide structure and consistency in program delivery; and intervene with youth for at least nine months. To foster bonding, resilience, self-determination, spirituality, self-efficiency, clear and positive identity, and pro social norms. To provide recognition for positive behavior and pro-social involvement. To lead without thinking of getting something in return. To become shepherds that would lead others passionately and with compassion. This is how Paulinians from Saint Paul University Dumaguete would want to take our fair share in taking responsibility to our community. We believe that we will be effective advocates for change.
