**2016 MTAP DEPED SATURDAY PROGRAMS IN MATHEMATICS  
FOR REGULAR AND TALENTED LEARNERS**

The Mathematics Teachers Association of the Philippines (MTAP) Inc. will be offering the *2016 MTAP DepEd Saturday Programs in Mathematics for Regular and Talented Learners*.

The first program is intended for *regular learners*. This will be conducted on six Saturdays, 8:00 a.m. to 12:00 noon *from July 23 to August 27, 2016*. The sessions will be for learners who belong from the 25<sup>th</sup> to the 85<sup>th</sup> percentile at each grade level from Grades 1 to 11. A center may opt to take participants only for Grade 4 because of the Mother Tongue policy. A written permit from the parents is necessary.

The first program aims to:

1. provide the learners with the opportunity to explore Mathematics without the threat of tests;
2. review the materials covered last school year to enable them to do well in Mathematics in the present school year; and
3. prepare the Grade 6 and Grade 10 learners for entrance examinations for Grade 7, Junior High School (JHS) and Grade 11, Senior High School (SHS).

The second program is for mathematically *talented learners*. This will be conducted on seven Saturdays, 8:00 a.m. to 12:00 noon *from October 22, November 5, 12, 19, 26 to December 3 and 10, 2016*. The sessions will be for learners who belong to the top 15<sup>th</sup> percentile. The school principal shall endorse the learners who wish to participate, along with a written permit from their parents/guardians.

The second program aims to:

1. prepare the Grades 6 and Grade 10 learners for entrance examinations for Grade 7, JHS and Grade 11, SHS; and
2. prepare them for the Metrobank MTAP DepEd Math Challenge Competition.
