*Empowering Leaders, Strengthening Communities*

October 6, 2016

DR. LELANIE T. CABRERA  
OIC- Schools Division Superintendent  
DepEd Negros Oriental Division

Madam:

We would like to invite interested supervisors, principals, teachers and student leaders from your DepEd division to join the SYL ASEAN YOUTH EXCHANGE on November 23-27, 2016 in Singapore and Kuala Lumpur.

This event will be necessary for your division to benchmark on Senior High School especially in forging linkages on possible employment of the K-12 graduates. Singapore and Kuala Lumpur are melting pots in the ASEAN region and has become a hub for employment and exchange.

The SYL ASEAN Youth Exchange hopes to inspire the student delegates to become more abreast of the existing state of affairs in our region and helps them appreciate the importance of education, leadership and peace as platforms they must protect if they want a better future. We hope that the program we have organized will awaken their giants within.

Please contact Ms. Liane Rose Aventurado 0936 476 6601 for more details or email us at [sacedayouthlead@gmail.com](mailto:sacedayouthlead@gmail.com)

Thank you very much and we hope for your positive response.

Sincerely,

Dave G. Saceda  
Chair and Founder

# **SYL ASEAN YOUTH EXCHANGE**

With DepEd National Advisory No. 279, dated September 28, 2016

Singapore and Kuala Lumpur

November 23-27, 2016

## **Target Participants:**

Teachers and student leaders from the private and public schools, local government unit employees and non-governmental organizations' staff

## **Overview:**

The Saceda Youth Lead ASEAN YOUTH EXCHANGE is an Honors Program that will empower students to become most effective citizens of the country by giving them opportunities in leadership, community service and exchange.

This exchange brings in the best and the brightest students of the school who are empowered through this international exchange to become the future leaders where they are exposed to various opportunities and experiences for total human development.

The trip creates a platform for students to appreciate and understand the geo-political issues in the ASEAN and Asia Pacific regions by personally witnessing, discussing and exploring local poverty, education, socio-economic, cultural and political issues. This is a bigger effort to train the students to be acutely aware of regional and global affairs and grasp the ramifications and impacts. The program aims to ignite the heart and spirit of altruism and volunteerism. The exposure will play a noteworthy role in the personal development of the students.

## **Purposes:**

The SYL ASEAN YOUTH EXCHANGE will cater to students with the aim to: (1) expose students to other peoples' culture through leadership and social action; (2) to study common patterns that emerge across all cultures and how these patterns reveal the diversity of human experience. (3) To identify similarities in cultural behaviors, norms etc; and to experience the culture of people through visits, (4) To meet local leaders, (5) To provide enrichment in the education of the youth through classroom instruction and school visits and, (6) To train and empower student leaders to become future leaders and, (7) To promote peace and mutual understanding through travel and exchange.
