Regional Director
Department of Education
Negros Island Region

Dear Director Sadsad,

Greetings!

Following the discussion during the Program Management Committee Meeting (PMC) of the Basic Education Sector Transformation Program last September 16, 2016 at the Department of Education, we are pleased to share with you our list of scholars for education programs and Certificate in Teaching Program (CTP) in Western Visayas University and Cebu Normal University.

We currently have four course completers, one of which ranked top 6 in the BLEPT during the March 2016 examination.

We highly encourage our scholars to immediately seek employment in a public school in their home province as soon as they are able to, upon completion of the program and passing the BLEPT.

Enclosed with this email is the list of scholars and additional information on Philippine Business for Education and the STEP UP Scholarship program, which we hope can be used for your Region's reference.

Thank you very much.

Sincerely yours,

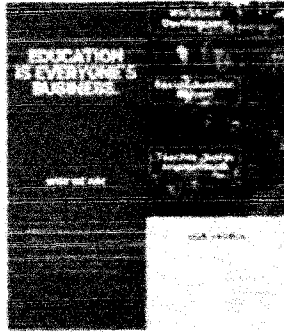

Justine Raagas

Project Managers

We engage industry, academia, and government to equip graduates with competencies grounded on industry needs and directions. We forge stakeholder partnerships that develop individuals who can readily contribute to national competitiveness.

We believe that K to 12 can bring the Philippines up to par with the rest of the world, and support its effective implementation. We facilitate the dialogue among key stakeholders in order to address the various challenges that come with such a systemic reform.

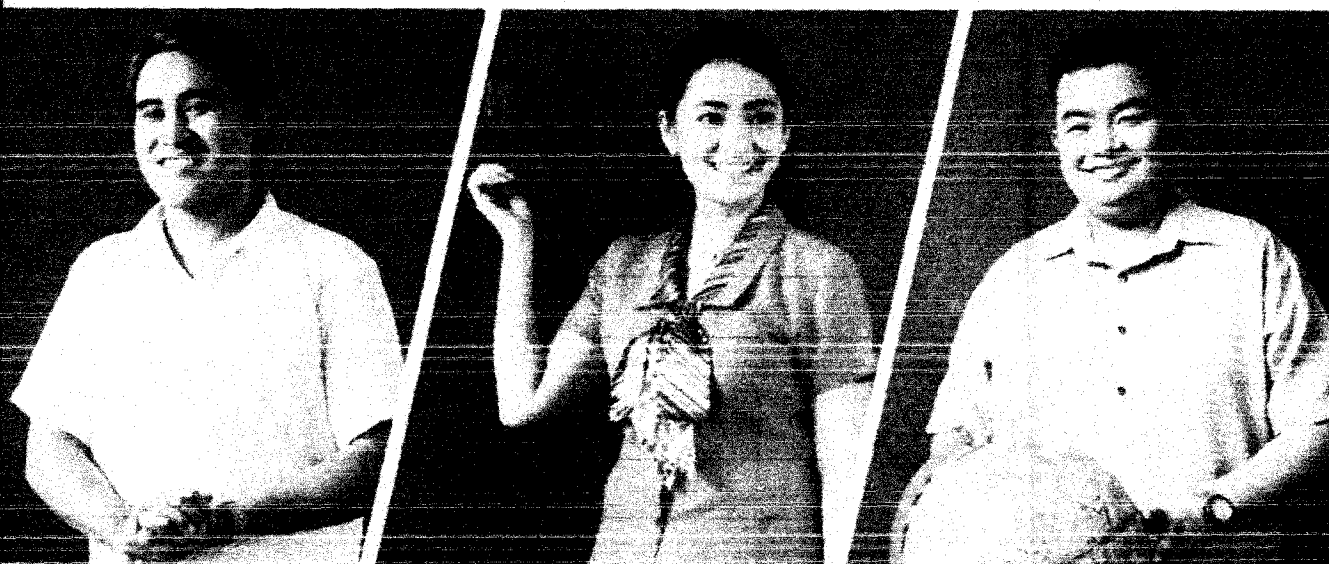

We see education as a function of teaching excellence, and thus strive to improve teacher development systems. We also seek the best and the brightest to join the teaching profession via scholarship grants across the country.
