Ms. LELANIE T. CABRERA, CESE
Asst. Schools Division Superintendent
Officer In Charge
Department of Education
Division on Negros Oriental

Dear Ms. Cabrera,

The National Commission for Culture & the Arts (NCCA) has launched an integrated cultural development program called MUGNA (Towards a Sustained Cultural Development of Negros Island) which aims to establish a pro-active culture-based development that involves the communities at large. The project is being coordinated by the Negros Cultural Foundation, Inc., in partnership with the Dumaguete-based Youth Advocates Through Theatre Arts (YATTA).

The City of Dumaguete was chosen to be one of the six (6) pilot local government units in Negros Island. One of the important activities in line with the project is a two-day **Integrated Arts Workshop** scheduled on **August 29-30, 2016**. The workshop aims to develop youth artists and leaders to create artistic expressions that celebrates both the tangible and intangible cultural and artistic heritage of Dumaguete City. Participants are students from universities, colleges, and public and private schools in the city.

It is in this light that we would like to invite, through your good office, students from **Negros Oriental High School (NOHS)** to participate in this learning opportunity. The school may select **five (5) students who have demonstrated interest and talent in creative writing, music, dance, visual arts and drama** (one student in each discipline will be ideal). Registration for the workshop is free.

Your own commitment to help develop young artists through this workshop will be most appreciated.

Thank you very much, and more power.

Yours sincerely,

JACQUELINE V ANTONIO
