To whom it may concern:

Greetings of Peace and Solidarity!

The third year BSEd Science and Mathematics students of the University of San Carlos – Science and Mathematics Section of the Teacher Education Department, in cooperation with the Science Education Students' Organization of the University of the San Carlos (USC SESO), will hold a **Science Play and Exhibit** entitled, **"Clockwork 50: Order of the Sigma"**. The play and exhibit covers the fields of Biology, Physics, Chemistry, and Mathematics. The audience will be public and private high school students from all over Cebu and neighboring provinces. The play and exhibit will be held at the Audio Visual Room, SMED Building, USC Technological Center, Talamban, Cebu City on August 23-24, 2016, from 8:00 a.m. -5:00 p.m.

Science Play and Exhibit is an annual academic event aimed at strengthening the skills and interests of high school students in the fields of Science and Mathematics. Through this, appreciation for the profound applications of Science and Technology in our rapidly changing world will be firmly emphasized, further enhanced, and fully encouraged.

In this regard, we are pleased to inform you that we reserved two slots for your division to join the said activity and help us promote scientific culture and youth development. You may bring a maximum of thirty Grade 10 students with an accompanying Math/Science teacher. Should you be interested, please confirm your reservation before August 3, 2016. Your reservation will include the number of participants and the day you will be able to attend the event (August 23 or 24) and the session (morning or afternoon). Call 230-0100 Local 146 and look for Ms. Diana Y. Honoridez, the department's secretary for your confirmation. You can also e-mail us at orderofthesigma2016@gmail.com. We assure you that we will inform your school at the occurrence of any changes that is beyond our control. You may like us on facebook at https://www.facebook.com/smedsigma for more updates and information.

Thank you very much and God bless.

Respectfully yours,
