Chief, Governance & Operational Services

Dear **Dr. Jimenez**,

We are pleased to inform you that the Population Outreach Unit of the Provincial Health Office-Negros Oriental in coordination with the Population Commission Region 7 had conducted the 1<sup>st</sup> and 2<sup>nd</sup> level of Peer Education Trainings to 30 high school students from the DepEd-Negros Oriental Division, Dumaguete City Division and Bayawan City Division (please see attached list of names) in December 10-11, 2015 and August 3-5, 2016. These selected potential students will soon compose the 2<sup>nd</sup> set of Peer Educators on Adolescent Sexual Reproductive Health (ASRH) in the DepEd-Negros Oriental Division after finishing the 3<sup>rd</sup> and 4<sup>th</sup> level trainings of the ladderized peer approach.

Peer to peer is the buzzword for any intervention aiming for behavior change. It is a strategy proven to be effective especially among young people because its principle is to provide non-judgmental, non-discriminatory and efficient services to clients coming from the same age group, sharing common interests and experiences hence, creating a bond that cultivates trust and confidence between peers. The **Peer Educators (PEs) on ASRH** are those who are trained to handle and deliver services related to reproductive health to those who need them in the community or in the school setting.

Thus, to complete the Peer Educators ladderized approach, we are requesting your good office to allow the same students found in the attached list to attend the following 3<sup>rd</sup> and 4<sup>th</sup> trainings:

<u>Date</u>	<u>Title of Training</u>	<u>Venue</u>
November 26-27, 2016	Training for Peer Education on Adolescent Reproductive Health (3 <sup>rd</sup> level)	Royal Suites Inn Bantayan, Dumaguete City
December 7-8, 2016	Training for Peer Counseling on Adolescent Sexual Reproductive Health (4 <sup>th</sup> level)	Royal Suites Inn, Bantayan, Dumaguete City

However, due to budgetary constraints, we can only provide for the meals and accommodation of the participants, while transportation and other incidental expenses shall be borne by the sending school.

For more inquiries, please feel free to contact Ms. Portia A. Francisco at 09173122461 or (035) 422-3961 or (035) 225-2615.

Thank you for your continued support to the Adolescent Health and Youth Development Program in the Province of Negros Oriental.

Very truly yours,

  
FELICISIMO P. AGAN  
OIC-Technical Division
