Dear Sir/Madam:

The Physical Sciences Department (PSD), College of Science and Computer Studies (CSCS) of De La Salle University – Dasmariñas (DLSU-D) will be holding a **Chemical Security and Safety Seminar (CSST)** on April 11-12, 2016 at **MetroCentre Hotel & Convention Center, Tagbilaran City, Bohol, Philippines**. The training is sponsored by the United States Department of State, Sandia National Laboratories, under the Chemical Security Engagement Program (CSP) thru CRDF Global, an independent non-profit organization based in Virginia, USA. The training aims to engage scientists, technicians, engineers and academicians to convey international best practices for safe and secure chemicals management.

In relation to this, we are inviting chemistry/science teachers from your division to be part of the said training. Registration is free and all meals for the duration of the event will be shouldered by the sponsor. Accommodation of the first 20 registered participants will be shouldered by the sponsor. Please take note that CSST alumni are no longer qualified to attend.

For interested participants, please send your registration form together with your updated Curriculum Vitae at mccervania@dlsud.edu.ph or mccervania@gmail.com on or before February 26, 2016. They may also contact me on my phone numbers **+639204300268** or **+639256217608** or on our office number (046) 416 4531 Loc 3136. Successful applicants will be notified on or before March 1, 2016.

Thank you so much.

Respectfully yours,

Maria Lourdes C. Cervania
