OIC-Schools Division Superintendent

Division of Negros Oriental

Attention: Provincial TLE Supervisor/Coordinator

Dear Madam:

Greetings!

Once again we feel honored to inform you that as the designated Focal Agency for Extension pursuant to memorandum dated October 21, 2012, the Agricultural Training Institute Central Visayas will conduct a three-day Appreciation Course on Organic Agriculture for our DEPED Agricators (TLE Teachers) of Negros Oriental on February 22-24, 2016 at Moriah Hall, V. Lascin St., Dumaguete City. The training is in support to Republic Act 10068, Known as the Organic Act of 2010 which provides for the Development & Promotion of Organic Agriculture in the Philippines.

This three-day training seeks to provide opportunity to our TLE teachers handling agricultural subjects/activities in their respective schools to appreciate the basics of Organic/Natural Farming Technology in order to grow food organically even for home consumption & share the knowledge to others.

In view of this, we humbly request your good office to facilitate in inviting 25 selected TLE Teachers Handling agricultural subjects/activities in your area of jurisdiction in the province of Negros Oriental.

Should you have any inquiry, please feel free to contact the project officer, Jun Oliver @ 09154940565.

Thank you for your continued support to our Agricultural projects and programs. GOD BLESS!
