SRI AMAN ENVIRONMENTAL YOUTH LEADERSHIP SUMMIT (SAEYLS) 2016

The Sri Aman Secondary Girls' School in Malaysia will conduct the *Sri Aman Environmental Youth Leadership Summit (SAEYLS) 2016* with the theme *Youths - The Roots of Change* on April 21-26, 2016 at the SMK (P) Sri Aman, Petaling Jaya, Selangor, Malaysia.

The Summit aims to:

1. serve as a platform for the participants to share their ideas on environmental sustainability measures with students from all over the world; and
2. bring together youths of different cultures, backgrounds and traditions from all around the globe to create a mutual cultural and environmental understanding among them, as well as build a strong network in the areas of leadership, communication and environment to international standard schools and environmental organizations globally.

The target participants to this activity are as teacher-chaperones and four student-delegates who possess the following qualifications:

1. He/She must be between 15-18 years old;
2. He/She must be able to converse fluently in English;
3. He/She must be physically fit and capable of participating in physical activities (hiking, running, swimming, among other activities);
4. He/She must be open-minded and sociable; and
5. He/She must be eager to share and learn regarding other cultures and issues.

Each school is required to prepare a powerpoint presentation that showcases the green initiatives taken at the school. There will also be an Eco Movie Competition, in which participants will have to prepare a 3-5 minute short movie based on a given theme. An English Language Competition will also be held during the event.

All completed forms are to be emailed back to the organizing committee at saeys@gmail.com on or before **March 25, 2016**.
