DIVISION MEMORANDUM

September 20, 2016

No. *560*, s. 2016

PARTICIPATION IN THE 18th NATIONAL PHYSICS CONFERENCE, 2016 INTERNATIONAL CONFERENCE ON MATERIAL SCIENCE AND NANOTECHNOLOGY, AND THE 4th INTERNATIONAL MEETING ON COMPLEX SYSTEMS OF THE SAMAHANG PISIKA NG VISAYAS AT MINOANAO ON OCTOBER 20-22, 2016 AT SILLIMAN UNIVERSITY, DUMAGUETE

TO: Division Education Program Supervisor

Public Schools District Supervisor/District in Charge

School Head of Public and Private Elementary and Secondary Schools

1. Attached is a letter from the President, Samahang Pisika ng Visayas at Mindanao (SPVM), Mark Nolan P. Confessor, Ph. D. of Philippine Physics Society (PPS), and DepEd Advisory No. 203, s. 2016 dated August 3, 2016 which is self-explanatory.
2. Participation to this activity of School Heads, Teachers and Students from DepEd Negros Oriental Division shall be VOLUNTARY. Those who will participate in this activity should obtain prior approval from the Schools Division Superintendent.
3. All concerned school officials will adhere to the no-disruption-of-classes as stipulated in DepEd Order No. 9, s. 2015, entitled Instituting Measures to Increase Engaged Time-on-Task, and ensure compliance therewith.
4. Wide dissemination of this Memorandum is desired.

Capitol Area, Dumaguete City

Dear **Dr. Cabrera**,

Warm greetings!

The Samahang Pisikang Visayas at Mindanao (**SPVM**) and Silliman University, Dumaguete City cordially invite you, your physics teachers and your students to participate in the **18th SPVM National Physics Conference, 4th International Meeting for Complex Systems (IMCS) and 2016 International Conference on Materials Science and Nanotechnology (ICMSN)** to be held on October 20–22, 2016 at Silliman University in Dumaguete City.

This year's conference will bring together many foreign and Filipino experts working on experimental and theoretical fields of materials science, nanotechnology, high energy physics, photonics, computational physics, and physics of complex systems and allied fields of practical significance including functional physics education programs. Several plenary, parallel sessions and poster paper presentations on relevant research topics of interests as well as contest on **science investigatory projects (SIP)** among high schools students are programmed to highlight this year's scientific gathering. For further details of the SIP contest, please contact the secretariat at **0975-016-1175**. Please find the enclosed endorsement and kindly visit the **SPVM** conference website at <http://physics.msuiit.edu.ph/spvm> for further details of the conference.

Registration fee for regular participants is Php 3,000 and Php 2,750 for student participants. The fee would cover **SPVM** annual membership fee, conference kit, and eco-tour. Prospective participants are requested to pre-register in the **SPVM** website (<http://physics.msuiit.edu.ph/spvm>) on or before September 30, 2016 and send in their confirmation on or before October 10, 2015. For your accommodation, attached is a list of hotels/dormitories in the area with their corresponding contact details.

Dumaguete is a bustling ICT Industry town which made it to the Tholons list of Top 100 Outsourcing Destinations in the world due to its contribution to the fast growing Business Process Outsourcing (BPO) industry of the country. Dubbed as the "City of Gentle People", it is a convenient Gateway City to the beaches, dive spots, eco-adventures of the province. Dumaguete City is easily accessible from Cebu and Manila, making it a favorable venue for conferences, seminars and trainings.

SPVM and **Silliman University** anticipate you, your physics teachers and your students' active participation in this scientific gathering in Dumaguete City.

Thank you and looking forward to seeing you in Dumaguete City.

Very truly yours,

Mark Nolan P. Confesor, Ph.D.

**18TH SPVM NATIONAL PHYSICS CONFERENCE, 2016 INTERNATIONAL
CONFERENCE ON MATERIALS SCIENCE AND NANOTECHNOLOGY
AND 4TH INTERNATIONAL MEETING ON COMPLEX SYSTEMS**

The *Samahang Pisika ng Visayas at Mindanao (SPVM)*, in coordination with Siliman University, will conduct the *18th SPVM National Physics Conference, 2016 International Conference on Materials Science and Nanotechnology, and 4th International Meeting on Complex Systems* from October 20 to 22, 2016 at the Siliman University, Dumaguete City.

The annual SPVM gathering aims to:

1. serve as the venue of active dialogue between Physics researchers, teachers and students from all over the country and with some foreign experts;
2. promote scientific exchange and development of novel ideas in physics with accent on interdisciplinary; and
3. bring together worldwide experts and promising young scientists working on experimental and theoretical aspects of material science, nanotechnology, complex systems, soft matter and biophysics, photonics, weather and climate change, computational and many other topics of common interest.

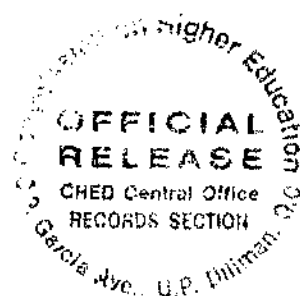

The target participants are the Physics researchers, Physics educators, Physics and Science teachers, high school and college students, and the host communities.
