R: 10/17/16

DR. LELANIE T. CABRERA

Schools Division Superintendent

Department of Education-Division of Negros Oriental

Dear Dr. Lelanie T. Cabrera:

Over the years, some of our teachers have been facing concerns on efficiency, trustworthiness, leadership, management of human resource, and school finances. The ability to remain balance in the midst of difficulties brought about by the incredible challenges of life has always been the issue. Saceda Youth Lead, and its significant corps lecturers, would like to propose a training for those who need to revitalize, renew and re-awaken their giants within so that they can become better teachers and colleagues of the school and agents of change.

This training- **AWAKENING THE GIANT WITHIN**- provides the teacher with the intellectual framework, the tacit knowledge and the practical skills for responding creatively and effectively to the performance challenge. The participants will develop the ability to identify the personal performance deficits, the ingenuity to create an effective performance strategy, the skill to motivate the "self" to exercise leadership in a diverse and complex situation.

In line with this, we would like to seek for your endorsement to fund this event for all the Education Supervisors, School Head, Teacher-in-Charge, Head Teachers and Administrative Staff who need to be empowered in this training. This training will cost Fifteen Thousand Pesos P15,000 for honorarium of speaker and facilitator.

We hope that this training will usher a new beginning for the teacher as we give a chance for them to grow again.

Attached is our proposal. I am looking forward for your positive response. For inquiries, please feel free to contact us with these numbers: **0915 633 9546** or email us at info@sacedayouthlead.org Thank you very much and more power!

Sincerely,

Ms. Liane Rose H. Aventurado
Managing Officer
