SUBJECT : PHILHEALTH'S PRIMARY CARE BENEFIT FOR THE TEACHING AND
NON-TEACHING PERSONNEL OF DEPED

DATE : OCTOBER 10, 2016

The Department of Education (DepEd), in partnership with the Philippine Health Insurance Corporation (PHILHEALTH), issued on March 12, 2014 DepEd Memorandum No. 30, s. 2014 entitled "Expansion of Philhealth Primary Care Benefit 1 (PCB 1) Package to Cover Personnel of the Department of Education."

To reiterate compliance to the said issuance, all Regional Directors and their respective Schools Division Superintendents are hereby enjoined to ensure that all teaching and non-teaching personnel are aware of the PCB package and are provided with the necessary assistance on the availment of the said benefit.

In relation to this, all concerned offices are advised to:

1. Conduct advocacy and communication activities to ensure that all concerned personnel are duly informed of this new outpatient benefit package from Philhealth (e.g. guidelines on registration and availment, list of Philhealth-accredited service providers in their respective localities, etc.);
2. Set-up a helpdesk and/or a hotline with a designated personnel at the Regional and Schools Division Offices that would provide the needed assistance and guidance to all teaching and non-teaching personnel in their respective Offices/Schools;
3. Facilitate promptly the needed coordination with Philhealth regarding newly-hired, transferred, or retired DepEd personnel; and

-
4. Ensure that guidelines are strictly followed, as stipulated under Philhealth and DepEd Joint Circular No. 001, s. 2014 and DepEd Memorandum No. 30, s. 2014.

Attached is the updated "Primary Care Benefits (PCB) 1 Package or TSekaP for DepEd Personnel" from Philhealth, for your information and reference.

For queries and clarification, you may contact the School Health Division, DepEd Central Office, DepEd Complex, Meralco Avenue, Pasig City at telephone nos. (02) 635-9964 and (02) 633-7245 or Philhealth through its Action Center at (02) 441-7442.

PHILHEALTH CIRCULAR

No. 0010, s.2013

TO : ALL ENGAGED/ACCREDITED PRIMARY CARE BENEFIT 1 (PCB1) PROVIDERS, PHILHEALTH MEMBERS AND PERSONNEL, DEPARTMENT OF EDUCATION PERSONNEL AND ALL OTHERS CONCERNED

SUBJECT : EXPANSION OF PRIMARY CARE BENEFIT 1 (PCB1) PACKAGE TO COVER PERSONNEL OF THE DEPARTMENT OF EDUCATION (DepEd)

I. RATIONALE

In support to the Aquino Health Agenda (also known as Kalusugan Pangkalahatan) to provide universal health care for all Filipinos and pursuant to PhilHealth Board Resolution No. 1587 s. 2012¹ approving the Universal Health Care (UHC) Primary Care Benefit 1 (PCB1) Package as the new PhilHealth outpatient benefit, initially for Sponsored and Organized groups members, PhilHealth endeavors to expand the PCB1 package to the employed sector. As a pilot test, the Corporation aims to expand the provision of this package to the personnel of the Department of Education.

The Department of Education requires its teaching and non-teaching staff to undergo annual health check up. PhilHealth sees this as an opportunity to support the health services of those who take care of schoolchildren. Knowledge gained from this pilot test shall be the basis in rolling out the outpatient benefit to all employed members of PhilHealth, thereby strengthening the gate keeping capacity of outpatient facilities in the country. Moreover, the health data derived from the initial implementation of PCB1 among the teaching and non-teaching employees of the DepEd may serve as basis for development of special benefit packages.

II. OBJECTIVE

This Circular aims to provide guidelines on the pilot expansion of the PCB1 to the employed sector through the Department of Education (DepEd).

III. COVERAGE

The pilot-testing shall cover ALL employees of the DepEd. The preferred PCB1 package providers shall be identified by DepEd from the currently accredited/engaged PCB1 providers as well as engaged DepEd health clinics.

¹HR 1587 s. 2012 provides for the roll-out of PCB 1 to all PhilHealth members.

IV. GENERAL GUIDELINES

1. DepEd shall ensure that each of its employees has a PhilHealth Identification Number (PIN). In case this is not available, DepEd shall coordinate with the appropriate PhilHealth office to generate a valid PIN.
2. DepEd shall identify the service providers for their employees from the currently accredited/engaged PCB1 providers nearest to their workplace. PCB 1 providers include the outpatient departments of government hospitals and rural health units/health centers with laboratory services. DepEd may also assess which among their current health clinics can qualify as PCB1 providers and have these engaged with PhilHealth. Standards for Engagement/Accreditation are stated in PhilHealth Circular 10 s. 2012 and the guidelines for engagement of health facilities are stipulated in PhilHealth Circular 54 s. 2012.
3. DepEd shall assign their personnel in their respective PCB1 providers. The list of assigned personnel per PCB1 provider shall be endorsed by DepEd to PhilHealth and shall serve as the official master list.
4. PhilHealth shall provide each identified PCB1 provider a masterlist of assigned DepEd personnel.
5. DepEd personnel shall enlist themselves to the assigned PCB 1 provider. Enlistment to the facility is signaled by the member signing of the master list. In case a DepEd personnel is not included in the master list of the PCB1 provider, he/she shall present his/her updated DepEd ID to enlist in the PCB1 provider.
6. PCB1 package is a non-portable benefit. DepEd employees are encouraged to choose their PCB1 provider according to their personal and family needs and living arrangements.
7. PCB 1 providers shall establish and maintain an individual health profile of the employees and their dependents at least once a year. The individual health profile shall be summarized using PCB Clientele Health Profile (PhilHealth Circ. 10 s. 2012 Annex A2).

V. SERVICE PROVISION

A. Individual Health Profile (Annex A1)

The PCB1 provider shall assess the general health status of the DepEd member and dependents using the individual health profile form (Annex A1), or its equivalent. The profile includes demographic data, past medical history, personal/social history, immunizations, reproductive health history and pertinent physical examination findings. The individual health profile shall be updated annually.

The PCB1 Provider may use any similar form that is currently used by the health facility provided that the information it contains can be summarized into the PCB Clientele Health Profile (PhilHealth Circ. 10 s. 2012 Annex A2).

11. The following are PCB1 services and these shall be provided as recommended by the PCB1 physician.

Primary Preventive Services

1. Consultation - the first consultation visit in a given year, which shall, at the least, include the establishment or updating of individual health profile.
2. Visual inspection with acetic acid
3. Regular BP measurements
4. Breastfeeding program education
5. Periodic clinical breast examinations

6. Counseling for lifestyle modification
7. Counseling for smoking cessation
8. Body measurements
9. Digital rectal examination

Diagnostic Examinations

1. Complete blood count
2. Urinalysis
3. Fecalalysis
4. Sputum microscopy
5. Fasting blood sugar
6. Lipid profile
7. Chest x-ray

Drugs and Medicine

1. Asthma including nebulisation services
2. Acute Gastroenteritis (AGE) with no or mild dehydration
3. Upper Respiratory Tract Infection (URTI)/Pneumonia (minimal and low risk)
4. Urinary Tract Infection (UTI)

C. Obligated Services

A set of minimum obligated services shall be provided by the PCB1 provider to members and their qualified dependents.

SERVICES	TARGET CLIENTS	FREQUENCY
BP measurement	Hypertensive (with BP $\geq 140/90$ mmHg)	Once a month
	Non-hypertensive (≥ 18 y/o)	Once a year
Periodic clinical breast examination	Female, 25 years old and above	
Visual inspection with acetic acid	Female, 25 – 55 y/o with intact uterus	

The PCB1 provider should exhaust all efforts in convincing the patients of the relevance of doing the above-mentioned services. However, members and dependents with religious and cultural barriers or with personal reservations may sign a waiver not to avail of the obligated services. This shall not compromise the performance of the PCB1 provider in delivering the obligated services and shall not affect their payment.

Vi. Payment for Services of the PCB1 Provider

The PCB1 provider shall be paid a Per Family Payment (PIF) Rate of P500.00 annually for each DepEd employee enrolled, enlisted and profiled, in accordance with the set guidelines stated in PhilHealth Circulars 10 s. 2012 and 7 s. 2013.

[Handwritten signature and date 5/2/13]

VII. Monitoring and Evaluation

PhilHealth and the DepEd shall monitor and evaluate implementation of the PCBT for DepEd personnel and act on identified issues concerning implementation of policy issuances, rules and guidelines that may require coordination with other national and regional government agencies.

VIII. EFFECTIVITY

This Circular shall take effect immediately and shall be published in the official gazette or any newspaper of general circulation.
