Dear Mrs. Cabrera:

WHAT WE BELIEVE

SVL believes that education is the backbone of our nation with greater partnership and collaboration with other institutions. We believe that societal transformation must start from within & involves training and awakening of the self; one can become an agent of change for God and country.

After our stint with the National Summer Leadership Camp in 3 venues in the Philippines, we felt the need to reach out to the student leaders and teacher advisers at the division level to empower them through leadership and social action so that they can effectively perform leadership roles in the future.

Saceda Youth Lead, a Youth Serving Institution under the auspices of the National Youth Commission, would like to conduct a **Weekend Leadership Training and Values Transformation Seminar** for all the graduating high school students under your division. We hope you can support this cause and we will be glad to come and conduct this training to every school.

Attached is our program proposal. We hope for your most favorable response. Thank you very much!
