MADAM:

Good day!

May we request from your good office permission to conduct a pep talk to the students (30 minutes) in the National High Schools of Negros Oriental regarding our Food Guardian Campaign as part of our Advocacy: 1 Million Food Guardians for 100 Million Filipino People. The objective of the aforementioned activity is to encourage individuals from different sectors to be a Food Guardian: to make rice, the staple food of Filipinos, accessible, affordable, and safe to the public. Hence, the volunteers would be informed with some useful information and be encouraged to sign-up as Food Guardians.

In addition to this, photos may be taken and posted in the Food Guardian Facebook page www.facebook.com/foodguardians or any website/facebook account related where they may leave comments as well. They may also register thru <http://foodguardian.me> and be issued a virtual electronic membership identification card (ID).

Thank you and God bless.

Very truly yours,

HILARIA E. GANZON
