Dear Ma'am Cabrera:

Greetings!

Each year on June 12, people around the world come together to mark the World Day Against Child Labour (WDACL). The event raises both public and political awareness and builds support for efforts to tackle the scourge of child labour. Child labour has major repercussions on the education process of children with many working children either not attending school at all, or dropping out of school at an early age. Majority of these children exposed to hazardous labor are in agriculture, especially in sugar plantations.

The Department of Labor and Employment together with other stakeholders and partners will be commemorating 2016 WDACL with the theme "End Child Labor in the Supply Chains - It's Everyone's Business" in support of the concerted efforts towards the progressive fight to end child labor under the Batang Malaya Campaign: "A Child Labor Free Philippines".

In view thereof, and as partners under the "HELP ME Convergence," we would like to ask for your approval and at the same time your support for all teachers of the schools in Barangay Mayabon, Zambonguita, Negros Oriental, our "Child Labor Free Barangay – New Frontier" to attend a half-day Child Labor Capacity Building Activity on May 27, 2016 at Mayabon Elementary School from 1:00 PM to 5:00 PM. The purpose of this activity is to capacitate and increase the level of awareness of all teachers on Child Labor situation, law and referral on Child Labor cases.

Thank you very much.

Very truly yours,

  
**MARITES G. MERCADO**  
Chief LEO, DOLE-NORFO
