Dear **Ms. Cabrera**:

We are pleased to share with you that the Commission on Population Region 7 has done several initiatives under the Adolescent Health and Youth Development Program (AHYDP) to address the issues and concerns confronting the youth. All efforts are directed towards a clear objective which is to empower young people through peer education, advocacy and the provision of comprehensive programs and efficient services specific for the young clients. AHYDP is gaining grounds and seeing more opportunities with the support of other partners and stakeholders who are directly and indirectly responsible in molding and shaping our adolescents and youth to make them healthy, happy and productive citizens.

POPCOM 7 will be conducting Adolescent Health and Youth Development Program (AHYDP) Orientation on **October 18-19, 2016** at Plaza Maria Luisa Suites Inn, Bishop Epifanio Surban (Formerly Legaspi Street), Dumaguete City, Negros Oriental.

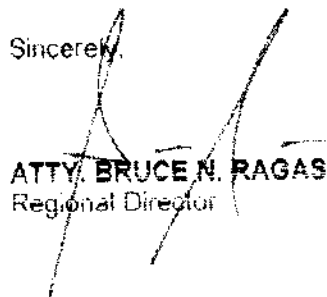

In line with this, we would like to invite **twenty (20) teachers** from the Division of Negros Province to participate the Adolescent Health and Youth Development Program (AHYDP) Orientation. The said orientation aims to create a friendly environment to the young people.

We look forward to the teacher's presence as we express our gratitude in advance for your positive response to this invitation.

Food and accommodation will be provided however, transportation expenses will be charge to the sending agency/LGU. Should you have questions, please contact Ms. Sybel Alquizola 236-4963 or 09426035147.

Thank you for your support to the youth development program

Sincerely,

ATTY. BRUCE N. RAGAS
