CERTIFICATE COURSES

Certificate in Talent Management
DATE: May 10-13, 2016
DESCRIPTION: This is a 4-day course designed to help participants align Business and HR practices into an end to end process that manages the key talents of the company.
PREFERRED PARTICIPANTS: Directors Schools Division Superintendent/Assistant Schools Division Superintendent Division Chief/ Assistant Chief or Unit head
MODULES: <i>Module I: Business Strategy</i> Participants will analyze the business strategy of their organization by determining the type of positioning the organization is taking in its market and understanding the various external factors affecting them. <i>Module II: Human Capital Strategy</i> This module will help one determine the organizational competencies that the company is prioritizing by identifying key thrusts, metrics, and culture required to achieve the strategic goals. <i>Module III: The Six P's</i> <ul style="list-style-type: none"> • Predict: Participants will learn about creating workforce plans that will help identify the right organization structure, identify criteria to determine key talents and critical roles in the organization that will help achieve the strategy optimally. • Profile: This module entails determining the competencies required in the critical role alongside the baseline proficiency levels required for each competency. Thus identifying competency gaps as well. • Prefer: Through a succession planning model, participants will learn to assess their talents by determining what roles to "buy, build or borrow." Thus defining what internal and external resources will be needed. How to recruit and onboard "new talent" will also be discussed. • Prepare: Participants will learn how to assess their "new talents" by analyzing their aspiration and commitment level and if they are aligned with the competencies. They will also learn how to define and execute development plans. By tracking progress and providing feedback in development, will be able to assess the readiness level to assume new position. • Propei: This module involves setting performance objectives, defining performance support, ongoing learning and development needs and feedback mechanisms. • Process: In this module, participants learn how to monitor, assess and reward performance.

Certificate Course in Competency Based HR
DATE: May 23-26, 2016
DESCRIPTION: This four-day program is designed to develop the HR practitioner's skills in identifying and defining competencies, and utilizing these as foundations for developing competency-based HR programs and systems
PREFERRED PARTICIPANTS: Chief or Assistant Chief Personnel Officer, HRD SEPS
MODULES: <i>Module I: Competency-Based HRM</i>

This introductory module orients participants on the use of competencies in human resource management which covers the process of identification and definition of core and functional competencies and leveling of competencies. How to use different approaches to identifying core competencies will be explored by the participants

Module II: Competency-Based Selection

This module focuses on how participants can assess competencies with the use of competency-based interviews and assessment centers for the selection of job applicants/candidates.

Module III: Competency-Based Performance Management System

This module presents to the participants how competencies are linked to performance management and the different approaches to using competencies in the performance management system

Module IV: Competency-Based Training and Development

This module involves the participants in developing competency-based training and development plans. Moreover, participants will learn how to anchor career development plans on competencies

Module V: Competency-Based Rewards

This module presents to the participants how competencies are linked to compensation and rewards.

Module VI: Development Competency-Driven Cultures

This final module wraps up the program with a description of the characteristics of a competency driven culture and how this formed. To better manage the new culture, the participants will be guided in identifying the barriers and drivers to building a competency-based culture.
