Dear Ms. Cabrera,

Warm greetings!

The National Commission for Culture & the Arts (NCCA) has launched an integrated cultural development program called MUGNA (Towards a Sustained Cultural Development of Negros Island) which aims to establish a pro-active culture-based development that involves the communities at large. The project is being coordinated by the Negros Cultural Foundation, Inc., in partnership with the Dumaguete-based Youth Advocates Through Theatre Arts (YATTA).

One of the important activities in line with the project is a 2-day workshop for Dumaguete choreographers scheduled on September 14-15, 2016.

September 14 : Heritage Workshop  
Bethel Guest House  
\*AM/PM Snacks and Lunch will be served

September 15 : Culture-based Choreography  
Sidlakan Negros Village Conference Room  
\*AM/PM Snacks and Lunch will be served

The workshop aims to develop artists and leaders to create artistic expressions that celebrate both the tangible and intangible cultural and artistic heritage of Dumaguete City. **Mr. Ronnie Mirabuena, Head of the Audience Development Division and the CCP Programmer of Dance, Cultural Center of the Philippines will facilitate the workshop.**

We invite Negros Oriental High School (NOHS), through your good office, to nominate choreographers/festival directors affiliated with the school, choreographers whose professional services they tap during festivals. No fees will be charged for the workshop.

We hope to receive a favorable response from you soon. Please call 225-0549 or 422-9409; look for Boen.

Thank you.
