Dear Sir:

Ardent greetings from the Department of Labor and Employment!

Pursuant to Section 19 of the Implementing Rules and regulations of the Republic Act No. 10533 or otherwise known as the "Enhanced Basic Education Act of 2013" and in response to the increasing gap between the competency levels of Filipino workforce and school graduates and the continuing issue of jobs and skills mismatch in the labor market, there is a need to capacitate the Guidance Counselors and Career Advocates on how to address these issues and concerns and how to engage the parents and students in the wise choice of career for their children based on current labor market information (LMI).

Part of our mandate is to help equip Guidance Counselors and Career Advocates to be able to address the above mentioned issues.

With this, we would like to seek your assistance in organizing Guidance Counselors and Career Advocates in the Negros Island Region. We are planning to have this activity with learning sessions on the current LMI trends this coming September 2016.

We would appreciate if you could include this in your Calendar of Activities and send Four (4) representatives from each division. We will be providing 1-meal and 2-snacks for this 1-day activity.

Thank you very much and we look forward for a favorable response regarding this request.

Very truly yours,

ATTY. JOHNSON G. CANETE, CESO III
Regional Director
